

## **Island or other theme night**

Bring people together for a great night of fun with an island theme. It could be a big group or a small dinner party. Dress up in grass skirts or loud flower shirts, put on some tropical music, cook up some island style food, perhaps coconut cocktails and enjoy! It's a fantastic way to make a difference.

Charge an amount that covers your costs plus, say, \$20. That \$20 is considered a tax-deductible donation when the person's details are entered on the following page or donate directly online.

Announce the event by email, word of mouth and facebook to all your friends. If it's a community group, perhaps ask the local newspaper to do a story and try to get others in the community to come along.

You may consider raising extra funds during the evening, consider:

- games of heads and tails
- slide the gold coin at the bottle (ask your local bottle shop to donate a couple of good bottles)
- perhaps raffle a donated prize

Perhaps also show a short video about the projects from [www.iitime.org](http://www.iitime.org).

### **Recording donations** (see page two):

People can contribute any amount they wish.

Donations of \$5 or more are sent a tax-deductible receipt. Please record their details on page two. You do not issue receipts – they are emailed from Its Time Foundation using the information you provide.

When funds are collected complete the remittance form (download it from the website: click Get Involved: Green Day at work) to deposit funds.

### **Otherwise people can donate directly on the website.**

Good luck and have fun.
